ANATOMY OF A LESSON

SEGMENTS 1-5

Segment	Duration	Activity
1	8 minutes	Hello! Review past week
2	8 minutes	Learn new skills (for song)
3	10 minutes	Apply new skills (to song)
4	4 minutes	Recap/HW/Logging
5	1-5 minutes	Parent/Teacher time

After adding segment durations, you'll find that we'll be in and out within 31-35 minutes.

Summary:
- 30 minutes of student time
- 1-5 minutes of parent time

The table above is designed to provide insight as to how a typical lesson is formatted and is not intended to act as a weekly lesson itinerary.

The duration of each lesson segment may vary wildly from student to student. Lesson format, like lesson content, is adjusted to student needs.
